Undergraduate enrollment at North Carolina for-profit colleges is:

- **69% low-income**, compared to 40.1% low-income for all nonprofit undergraduate institutions in the state.
- **54.5% African American**, compared to 22.9% African American for all nonprofit undergraduate institutions in the state.
- **69% female**, compared to 58% female for all nonprofit undergraduate institutions in the state.

ALL CALCULATIONS CONTAINED IN THIS FACT SHEET are CRL’s using the September 2018 release of College Scorecard (U.S. Department of Education). Enrollment shares for low-income, African-American, and female students sum enrollment for all for-profit undergrad schools in the state and compare them to the combined sum of enrollment at public and private nonprofit undergrad schools for each of the three categories. Measures shown in each chart are unweighted averages for all institutions of a certain college type (Public 4-Year, Private 4-Year, For-Profit 4-Year), excluding undergrad institutions with fewer than 100 undergrads.
